

Motor Vehicle Operator Requirements and Process
(Youth Activities Flight)

Please read the following before turning in your application:

1. Possession of a valid driver's license must be verified. The HRO documents driver's license number and expiration, and initials and dates this certification in the licenses and certificates portion of the employment application.
2. All applicants who are applying for positions involving driving for the youth flight must provide a copy of their driving record for the state of California. Applicants are responsible for obtaining a copy of their driving record at their own expense. The driving record must be no older than 90 days prior to the date of the application. (Copies of state records are available at minimal charge at the state driver's license issuing agency. When requesting records, applicants should request a complete driving record. Due to the length of time required to obtain a copy, applicants should request their driving records as far in advance as possible.)
3. Applicants are required complete a "Continuation Page for Motor Vehicle Operator Positions." Attach the continuation page to the employment application.
